To whom it may concern,

It is my pleasure to write this letter of recommendation for Andreanna Rainville. She is an amazing practioner and teacher who excels in communication skills, caring, and the ability to get the complex and brilliant work of Dr Dietrich Klinghardt to practioners of all fields and levels of expertise. I was so impressed with Andreanna I had her come to my clinic to help train my staff with the private tutoring service she offers to health care practioners. The work with Light Field Repatterning Therapy (LFRT) and the green laser she has shared with me has helped many of my patients avoid unnecessary suffering and speed their post-surgical recover along in astounding ways in a fraction of the time previously needed. Keep up the good work Andreanna.

Yours Truly,

DR. ALIREZA PANAHPOUR
